

Mill Point Solar Project In-Person Community Meetings

Who: ConnectGen, along with technical experts, invites you to attend an in-person Community Meeting for the Mill Point Solar Project. To accommodate a variety of schedules, ConnectGen will host two like meetings on the same day. **Members of the Community are encouraged to attend one of the two meetings and need not attend both.**

What: At the Community Meetings, ConnectGen will provide local residents and stakeholders with information about the proposed 250-megawatt Mill Point Solar Project as well as the 94-c permitting process through the Office of Renewable Energy Siting (ORES) and corresponding application. **The two meetings will be held in an “open house” format, and the same information will be presented at each meeting.**

When: Wednesday, August 11 from 2:00 pm to 4:00 pm and 6:00 pm to 8:00 pm (Eastern Time)

Where: Eion’s Hideaway Pavilion, 212 Mary’s Lane, Fultonville, NY 12072

Why: ConnectGen is planning to submit an application to the ORES through the 94-c permitting process in the fourth quarter of 2021 on behalf of the Mill Point Solar Project, a proposed 250-megawatt solar project located in the Town of Glen, New York.
