

APPENDIX B

Photograph Log

1. Overview of palustrine unconsolidated bottom (PUB) wetland W-CIW-1, facing south.
Photograph taken October 27, 2020.

2. Overview of palustrine emergent (PEM) wetland W-CIW-5, facing southwest.
Photograph taken October 28, 2020.

3. Overview of palustrine forested wetland (PFO) and PEM wetland W-CIW-5, facing east.
Photograph taken October 28, 2020.

4. Overview of PEM wetland W-CIW-6, facing northeast.
Photograph taken October 29, 2020.

5. Overview of PFO wetland W-KCF-2, facing northeast. Photograph taken November 3, 2020.

6. Overview of palustrine scrub shrub (PSS) wetland W-KCF-5, facing west.
Photograph taken November 4, 2020.

7. Overview of PEM wetland W-KCF-6, facing east. Photograph taken November 4, 2020.

8. Overview of PEM wetland W-KCF-7, facing east. Photograph taken November 9, 2020.

9. Overview of PEM wetland W-KCF-9, facing east. Photograph taken November 4, 2020.

10. Overview of PEM wetland W-KCF-10, facing east. Photograph taken November 4, 2020.

11. Overview of PUB wetland W-KCF-10, facing north. Photograph taken November 5, 2020.

12. Overview of PEM wetland W-KCF-13, facing west. Photograph taken November 6, 2020.

13. Overview of PEM wetland W-KCF-17, facing west. Photograph taken November 9, 2020.

14. Overview of PUB wetland, W-KCF-18, facing south. Photograph taken November 12, 2020.

15. Overview of PFO wetland W-KCF-22, facing north. Photograph taken November 13, 2020.

16. Overview of PEM wetland W-MJR-1, facing southwest. Photograph taken November 10, 2020.

17. Overview of PEM wetland W-MJR-3, facing south. Photograph taken November 12, 2020.

18. Overview of PEM wetland W-NSD-1, facing north. Photograph taken October 27, 2020.

19. Overview of PUB wetland W-NSD-3, facing east. Photograph taken October 27, 2020.

20. Overview of PEM wetland W-NSD-10, facing northwest. Photograph taken October 29, 2020.

21. Overview of PEM wetland W-NSD-24, facing west. Photograph taken November 4, 2020.

22. Overview of PEM wetland W-NSD-27, facing south. Photograph taken November 4, 2020.

23. Overview of PEM wetland W-NSD-30, facing north. Photograph taken November 5, 2020

24. Overview of PEM wetland W-NSD-37, facing west. Photograph taken November 10, 2020.

25. Overview of PEM wetland W-NSD-42, facing south. Photograph taken November 11, 2020.

26. Overview of PFO wetland W-NSD-46, facing southeast. Photograph taken November 13, 2020.

27. Overview of PFO wetland W-NSD-51, facing south. Photograph taken November 17, 2020

28. Overview of PUB wetland W-NSD-57, facing east. Photograph taken November 20, 2020.

29. Overview of intermittent stream S-CIW-2, facing north. Photograph taken October 27, 2020.

30. Overview of perennial stream S-CIW-3, facing south. Photograph taken October 28, 2020.

31. Overview of intermittent stream S-CIW-6, facing north. Photograph taken October 29, 2020.

32. Overview of perennial stream S-EHM-2, facing northeast. Photograph taken November 13, 2020.

33. Overview of intermittent stream S-KCF-1, facing north. Photograph taken November 3, 2020.

34. Overview of intermittent stream, S-KCF-2, facing north. Photograph taken November 3, 2020.

35. Overview of intermittent stream S-KCF-4, facing west. Photograph taken November 3, 2020.

36. Overview of intermittent stream S-KCF-6, facing northeast. Photograph taken November 7, 2020.

37. Overview of perennial stream S-KCF-7, facing east. Photograph taken November 10, 2020.

38. Overview of perennial stream S-MJR-1, facing northwest. Photograph taken November 10, 2020.

39. Overview perennial of stream S-MJR-3, facing south. Photograph taken November 11, 2020.

40. Overview of perennial stream S-NSD-1, facing east. Photograph taken October 27, 2020.

41. Overview of ephemeral stream S-NSD-3, facing east. Photograph taken October 27, 2020.

42. Overview of intermittent stream S-NSD-7, facing southeast. Photograph taken October 28, 2020.

43. Overview of ephemeral stream S-NSD-19, facing southeast.
Photograph taken November 4, 2020.

44. Overview of intermittent stream S-NSD-22, facing north. Photograph taken November 10, 2020.

45. Overview of intermittent stream S-NSD-23, facing south. Photograph taken November 5, 2020.

46. Overview of intermittent stream S-NSD-24, facing east. Photograph taken November 6, 2020.

47. Overview of perennial stream S-NSD-28, facing west. Photograph taken November 11, 2020.

48. Overview of intermittent stream S-NSD-30, facing west. Photograph taken November 12, 2020.

49. Overview of intermittent stream S-NSD-37, facing east. Photograph taken November 16, 2020.

50. Overview of intermittent stream S-NSD-44, facing southeast.
Photograph taken November 19, 2020.

51. Overview of forested upland, facing west. Photograph taken November 12, 2020.

52. Overview of crop rows, facing northeast. Photograph taken October 28, 2020.

53. Overview of S-NSD-60, facing north. Photograph taken November 1, 2021.

54. Overview of W-NSD-81, facing southeast

54. Overview of W-NSD-84, facing southeast. Photograph taken November 3, 2021.

55. Overview of W-NSD-86, facing south. Photograph taken November 3, 2021.
