

1. The attached Figure 1 depicts parcels under your control. Using the table on the figure, please indicate the type of agricultural land use per parcel, as applicable, over the past five years. Please also describe any additional land use below, agricultural or otherwise (e.g., disturbed, developed, woodland/forested areas, successional non-agricultural areas, wetlands, etc.).

2. If you are a current agricultural operator within the proposed Project Area, do you plan to continue agricultural operations after the Project is developed, within the Project Area or other locations outside of the Project Area? If so, please describe.

3. Please describe any anticipated land use changes for parcels under your control, following the construction of the Mill Point Solar Project.

4. Do you plan to purchase or rent additional farmland within the five-mile Study Area (see Figure 1 for reference) to replace acreage taken out of production due to the Project's construction?

Yes, I plan to purchase approximately _____ additional acres.

Yes, I plan rent approximately _____ additional acres.

No, I do not plan to purchase or rent additional farmland.

Explain: _____

5. Do you have land actively engaged in agricultural production that are participating in the Mill Point Solar Project? This can include non-traditional farming such as sugarbush operations, annual timber harvesting, bee keeping, etc. or services such as crop harvesting, spraying, manure spreading, hauling, haying, and slaughtering. If so, please describe below.

Tax Parcel ID/ID's:

6. Do you have drainage tiles, active irrigation lines, surface drainage, or other unique agricultural facilities on your property? If so, please describe below and use the attached figure to indicate where they are on your property.

Tax Parcel ID/ID's:

7. Do your property/properties receive a Real Property Agricultural Value Assessment?

Yes	<input type="checkbox"/>
No	<input type="checkbox"/>
Unknown	<input type="checkbox"/>

8. Is your land a part of the New York State 480-a Forest Tax Law Program?

Yes	<input type="checkbox"/>
No	<input type="checkbox"/>
Unknown	<input type="checkbox"/>

- 9. Have any of the parcels under your ownership been a part of a state or federal wildlife habitat incentive program? If so, please list those parcels and the name of the program.

Tax Parcel ID/ID's:

Thank you for participating in this survey. If you have any additional thoughts about how the Mill Point Solar Project may affect the local agricultural industry, please feel free to note them below or to contact us directly at (866) 203-1118 or via email at info@millpointsolar.com.
